Each course/program has been scheduled for completion within an allotted time frame. A grace period of approximately ten percent has been added to the calculated completion date for each program. It is not realistic to expect to receive an education for free. The school has reserved space, equipment, and licensed instructors for each student and course/program. If a student does not graduate within the contract period, additional training will be billed at the rate of \$15 per hour, payable in advance, until graduation. Students will not be allowed to clock in until applicable daily payments are made.
